

7th International Conference on Fog, Fog Collection and Dew

24-29 July 2016, Wrocław, Poland

The 7th International Conference on Fog, Fog Collection and Dew will take place in Wrocław, Poland on 24-29 July, 2016.

The aim of this conference is to offer a meeting place for people interested in diverse aspects of fog and dew. Scientific contributions to fog and dew related issues as well as reports on aspects of fog collection projects are welcome. Both speakers and participants, who do not wish to present a paper, are cordially invited to come to the conference.

This conference series started in 1998 in Vancouver, Canada, followed by meetings in St. John's, Newfoundland, Canada (2001), Cape Town, South Africa (2004), La Serena, Chile (2007), Münster, Germany (2010) and Yokohama, Japan (2013).

GENERAL INFORMATION

Important dates

July 6, 2015	1 st circular release, abstract submission starting date, fee payment starting date
Jan 10, 2016	abstract submission deadline
Feb 29, 2016	notification on presentation status
April 30, 2016	2 nd circular release early bird fee deadline
July 15, 2016	standard fee deadline registration deadline 3 rd circular release
July 24, 2016	first on-site registration (icebreaker)
July 25, 2016	opening of the conference
July 27, 2016	conference trip
July 29, 2016	conference closure

Conference Organizing Committee

Dr Mieczysław Sobik (Conference chair)
Dr Marek Błaś (Conference secretary)
Prof. Krzyszto Migała (University of Wrocław)
Prof. Żaneta Polkowska (Gdańsk University
of Technology)
Prof. Elwira Żmudzka (University of Warsaw
and Association of Polish Climatologists)

The venue

The University of Wrocław, main building of Faculty of Law, Administration and Economics, 7-10 Uniwersytecka Street, Wrocław, Poland.

The concept of the conference is based on:

• keynote lectures given by invited speakers • oral presentations • poster presentations • conference trip.

Conference topics:

Fog chemistry and physics
Fog collection projects
Fog collection materials
Fog deposition
Fog monitoring
Fog modelling
Fog climatology
Fog remote sensing
Fog measurement
Fog forecast
Fog and transportation
Vegetation response to fog
Fog in art and literature
Dew projects
Dew chemistry and physics
(other topics may still be proposed)

Registration and accommodation

Information on accommodation and registration is available on the conference website:
www.fog-conf.meteo.uni.wroc.pl

PAYMENT

One-day fee includes: admission to sessions and events on a given day plus conference kit, coffee breaks, one day free ticket for municipal public transport.

Registration fee covers: admission to all sessions, organization costs, conference kit, coffee breaks, conference trip and other conference events except of banquet, free weekly ticket for municipal public transport.

CANCELLATIONS/SUBSTITUTIONS

Cancellations are allowed if request are received until June 30, 2016, but each is subject to a non-refundable 20% administrative fee. Request for cancellations received after June 30, 2016 will not be honoured, and in such cases no refund can be made from the original registration fee.

CALL FOR PAPERS

We welcome you to submit abstracts of papers contributed as oral or poster presentations. The abstracts should be informative and concise with max. 300 words for 'title + background + aim + method + results + conclusion' sections together. **The submission of abstracts** is expected by **10 January 2016**.

Please, download from the conference website the enclosed template for a structured abstract preparation, then follow all instructions.

Each submitted abstract will be reviewed by members of the Scientific Organizing Committee, and accepted contributors will be notified by 29 February 2016. The Scientific Organizing Committee will also decide on poster or oral form of presentation and allocation to a specific session.

Each submitted abstract will be reviewed by members of the Scientific Organizing Committee, and **accepted contributors** will be notified by **29 February 2016**. The Scientific Organising Committee will also decide on poster or oral form of presentation and allocation to a specific session.
